“ Eddie was my mothers brother,that made him my uncle but he was much more than that. He was like a father to me,a brother and a best friend all in one so the pain of his passing is almost unbearable but the fact that he passed in my arms and that he is no longer suffering are the things that I will think about when I miss him and I will miss him every single day of my life,every one of them. Eddie passed in a very peaceful manor in the arms of someone who truly,truly loved him.

“ My memories of Eddie are of being best friends with his daughter Sabrina. He loved to have fun and his laugh was contagious. He was like a 2nd father to me growing up through high school. I spent more time at his house with Sabrina than I did at mine. He was a great man, an honest man who loved bigger than most. May he Rest In Peace and be with his baby girl again.
