Tribute Wall

“Charlotte was a wonderful woman who I was glad to have known for so many years. She also had a stepson, Robert Michael Caldwell, that she raised as her own after her marriage to Robert Mitchell Caldwell, who has already passed on before Charlotte. Robert Michael also had children, Christopher Michael Caldwell, Dustin Caldwell, April Caldwell Free and Datril Caldwell Hill, that considered her to be their grandmother. Their children, Paige Caldwell, Drew Caldwell, and Angel Caldwell, all considered her their great grandmother. She will be missed greatly by a lot of people who loved her. Thank you.
