“ *I have so many good memories with Chris. The one that sticks out the most was my first Metallica concert. I went with him and Net (while she was pregnant with Amaya) and we had a blast. We rocked out the whole time. There was never a dull moment with him around. You could never be in a bad mood around him cause he wasn't having it. Heaven got a damn good one! I love you Brother-n-Law 💙*
