“ Since we were 15 Cindy has been my Sister, and best friend. She was one special lady to many, she was my Cin-Cin. Life wasn't always easy on Cindy, but she would always smile and say "I'm ok, don't worry about me". My life will not ever be the same. She loved everyone and would help anyone, even if she was facing hard times. My heart aches, for the loss of her beautiful smile. Rest my friend with all my heart. Mar-Mar

I can't believe she's gone. I was just looking her up, in order to try to contact her. We were really close, years ago. I wanted to go see her. It's not right, that she's gone. Life is going to be difficult, to know, that, my girl is gone!!!

“ Goodness Cindy,  
*This feels like a really horrible dream that I can not wake up from. You were my best friend, my children's grandmother, and like a mom to me. I am not ready to let you go! Please be there with me and the kids guiding and protecting us. We love you. Forever and for always! Kay*

*I cannot believe she's gone! I was Cindy's 1st love. We hadn't seen each other in years, we've talked on the phone, but I don't care about all this and that and the other, that was my girl! Always and forever!*
