“ Grandmother you were a very special lady. I have enjoyed every moment I have spent with you in my adult years and was so blessed to be with you when the Lord called you home. The scripture tells us to be absent from the body is to be present with the Lord and I know that my Grandmother is having a joyous reunion! I love you Grandma and will miss my visits with you! You were not only my grandmother you were my pretty lady, my friend, and my partner in chaos!!! I love you, I love you and I love you!!!
