Colten was such an outgoing and amazing person from the very start; he never met a stranger. He had the most beautiful smile and contagious laugh. He had a tremendous love for animals , old people, and little kids. He loved his Appaloosa horses and had his “Farley Appaloosa’s” herd well on its way with 3 babies due this year.

Colten was definitely an Angel on earth, the way he touched and changed so many lives.

He was taken way too soon and will be forever loved and missed every day. Words cannot describe how proud he made us, and how blessed we are to be his parents and to call him our son.

Flowers will be accepted or a donation can be made to your local animal shelter in Colten’s honor.

“ I remember I was having this problem with mare hitting a barrel everytime I ran her. And I was getting so upset with her so I sent him every video of my run in her that I hit barrel I was like man this mare is just no good Bla Bla he said dude it's not her. You ride cutter and reiners as well look at your feet your sticking your toes out your hitting the barrels not her 🏇🏠♂ He was right for sure. Totally fixed the problem for me ❤️❤️❤️❤️❤️❤️❤️ I could always count him to tell me the truth about my horses. It's not gonna be the same anymore.

I didn't know Colton, but we knew Austin through our grandson, Colman. I knew from the first time I met Austin that he was raised and was a good boy. I am so sorry for your loss! No one should ever have to go through that you and your family is going through now! I look at the pictures of Colton and know he was a good person also. Austin and Colton look like twins and I love that their smile is the same. Praying that God will give your family the strength to go through these trying times and I also pray that the person that did this will accept the punishment for what he did!

“ Cindy, Loren and family,
I am so sorry to hear of Colten's passing. I enjoyed having him as a neighbor for the few years we were there. He was such an awesome young man. This breaks my heart so much. The time he brought his horses for Karli's birthday party several years ago for everyone to ride meant so much to her! Keeping you all in my thoughts and prayer!
