ME

“ This special wonderful lady here has been a blessing to me and my family. She was there for us when my father passed away. She brought over home cooked food for us to eat. She gave me a place to stay when time got difficult. She will be missed because she is loved. She's one of a few that's very special and important in my life. She is definitely a hard working, caring, loving lady that so many of us will miss daily. She will always be remembered. I love u Nana
