“ I knew Dalton as an upperclassman at Oxford High School, knew his extended family, and met his son, Allan when he was supervising the work at Quintard Mall. My prayers go out to his family.

Sad to hear of Dalton's passing. He was a customer when I worked at Skinner's. Always a nice friendly man If he saw you out he would always speak and talk a minute. RIP and condolences to his family .

I just now discovered that my Dear Friend has passed. Barbara and Dalton lived next door to us in Charleston, S.C. The 4 of us became instant Friends. Even after they moved back to Anniston we stayed in touch and visited back and forth. Made many trips to the Casinos in Mississippi. I will miss you Dear Friend. Give Barbara a Big Hug for me.
