“ Danny Kemp was someone who ALWAYS made me smile. Maybe it was because his own bright smile was contagious or the fact that he always had something nice to say or a joke or funny story to share. I will miss that smile. I will miss seeing those sharp looking clothes that he always wore. I will miss everything about him, but most of all I will miss him during college football season. Words fail me in trying to describe just how much of an Alabama football fan he was!! I LOVED hearing him recap a game or coaching strategy or bad calls! I'd pull for Alabama even when I didn't want to, just because I knew how much he and Frankie loved 'em. I will miss texting him after Alabama wins their next National Championship. So, until we meet again.....ROLL TIDE!!!!!!
