“ *She will be missed by many. Your mom was one of the kindest hearted people I know . She went above and beyond as a friend to me . She knew I always got a book sent over from OES when I taught at CES because I started my weather unit with it . Well she got on line and found the book which was not in print anymore and bought it for me . I still have it . She kept soft peppermint sticks on her desk and she knew I loved the plain white ones. She ordered me a whole box . These may seem like two insignificant things but they touched my heart because it showed how much she cared .*

“ Our sincere condolences to her sweet family. We only shared a small time with Darlene and Shug when we lived in Alabama but I can assure you that she was a very kind lady. Darlene had a beautiful smile and a radiant personality and I know she is with our Heavenly Father because heaven just gained another angel!
