“ Judy, Coy and family, I am so sorry about Daryl. I am so sorry I can't be there but I will be in spirit. Daryl was always one of my closest cousins even when we didn't get to talk to each other we would just pick back up when we did like it hadn't been but a day or two since we talked. I loved him so much and will always miss him but one day we will see each other again. God bless all of you I love you all.
