“ So blessed to have had Crusher and his family in my life. Many great memories, laughs, sad times, shared lives and adventures. Blessed beyond words. He will be missed by so many. Praying for all his family, but special prayers for Teresa, Conner, Tyler, Sage and Pepper his "nuclear family" to be comforted during this time and find peace in his memories and how he changed all our lives for the better. With Love, Brenda

“ *Crusher was my best friend and I will miss him so much. He was a man with a kind heart and a caring heart. There was more to him that you didn't see just by looking at him. To the family. I know you loved your husband and I know the boys loved their dad. Boys if you turn out to be half the man your dad was you will still be great men on the face of this earth. May God comfort you all in this time of sadness. I love you all. Mike Rice*
