“ David was an amazing young man....before he lost his way with alcohol. He still tried to put his family first. He still wanted to be that loving dad, brother, uncle, and he was in his heart. Alcohol is a tough demon, it takes your soul and you don't even realize it.. He fought the battle for years, he lost it last week and we will forever miss the amazing man he was inside. He had a personal relationship with God and I pray he has found the peace he couldn't find here on earth. I love you David.
