“ I just learned yesterday 06/17/26 that Paula had passed away when Susan stopped by my office but I was not there. A co-worker let me know. I've tried calling the three numbers I have for either Paul or Susan, but unsuccessfully. Susan if you see this, please give me a call (coded to prevent spam calls, but my number is) 256.504.4DON. If anyone else reads this and knows how to contact Susan, please call or text me. Thanks!

Paul was an incredible human who I first met when he managed the Express Oil and Lube in Rainbow City and from there he and his family became great friends who unfortunately because of them being in Weaver, I only saw them on occassion, most often when they would stop by my office. Since my business is going remote 09/01/26, I will not longer be there for Susan to stop by but I don't want to lose contact. Any help is appreciated.

“ Paul, and his family, became close friends through East Gadsdens Express Oil Chage. His smile and laughter where contagious. It was impossible to be in a bad mood around him.

He would have a "word of the day" which was a word he pulled from the dictionary. And would use it in sentences through the day.

He was there when my husband was diagnosed with MS, as well when I had my son. I hate that we lost contact when they moved away. Him, and his family have forever held a place in my heart. He lived a blessed life.

Sharpie was what I called him. He has definitely left a permanent mark on everyone that knew him.
