I thought I had left a memory. Deborah and I were cousin and I love her so much. We had went our separate way when my mother and her father passed away. In 2013 we were connected back again. We talked about our family's and how her father was my aunt Barbara best friends and he wanted to name his Pollys first daughter Barbara Jean and aunt polly wasn't going to have it.so it was Deborah Jean Byars but not long after Deborah came another beautiful baby girl named Barbara Jean Byars. I will miss you and I will see you soon and we can start off where we left.
