I knew Derek from a small child coming in from school at his moms shop smiling and kind, working on his homework, so he could go play games are whatever. My prayers are with the family, I know there hearts are broken and will miss his smiling face, but just remember Derek now dances with a set wings.

“ Seems like only yesterday, Derek was that polite, little boy that I enjoyed seeing at his Mom's shop. As he grew into a young man, he continued to be kind and polite, and, with a smiling face, acted like he was glad to see me each time our paths crossed. Sympathy and prayers for Derek's family and friends. We will miss him. "Miss Jen"

“ Derek was always very kind to me, polite and respectful - quite a gentleman. And just like his picture, I can't remember ever seeing him without a smile on his face. Prayers for all who knew and loved him. Julia Comer
