“ *I worked with DR at ANAD for many years. He was always conscious in his work and he was one that looked out for our soldiers in the field. He always expressed his feelings about issues that came up. He was a good man and he will be missed by many. May God give his family the strength during the loss of DR.*

“ *I worked with DR for many years. We were a team. If I needed help, he was there and if he needed help, I was there. He was a good man who loved his family and God. I know DR has gone to heaven. See you DR when my time comes.*
