“ *It's been 9 months and 11 days since you passed and it still feels like yesterday. I miss you and love you with all that I am and think about you everyday. I know your watching over me but to not have you here has left an empty spot in me. I will always carry you with me in my heart and my mind. I love you my beautiful mother. Until we are together again.* ”

“ *There's not a day goes by that I don't miss you so much. Today I picked up daddy and he rubbed your picture on my car and says he misses you so much. We all miss you. This world ain't the same without you. We love you so much and know you are looking down on us. Until we are together again:(* ”
