

Diane Meeks

May 14, 1958 - May 25, 2019

Our beloved Diane Meeks, resident of Anniston Alabama, went home to be with the Lord on Saturday, May 25, 2019 at the age of 61. She was born on May 14, 1958 in San Francisco, CA to her parents, Nellie and Raymond Navarro. She is perceived in death by her Mother, Father, Sister Dolly, Brother Donald, and Niece Baby Shannon. She is survived by her Husband Bill, her daughter Danielle, her grandchildren Selina Adriana and Leyla, her Niece Terry, and her baby Peaches. She grew up in Redding, CA and ended up moving to the Bay Area attending High School at Irvington High, graduating in 1976. She met her Husband Bill Meeks while he was in the Navy, and since then they have been inseparable since 1982, and just celebrated their 37th year Anniversary. Diane loved her Grandchildren more than anything in this world, and being a Grandma came so naturally to her. From trips to San Francisco, to Vietnamese Soup dates, all the way to visiting Chattanooga Tennessee; she was always up for an adventure with her family. She enjoyed driving her Zero Turn Lawnmower, which she loved because it was her alone time with the Lord. Diane loved her Country music, especially Garth Brooks and George Strait, which she played when cleaning her home. Although Diane's life was taken from us way too soon, she touched and impacted many while she was here. Her love will always be remembered, "These three things will last forever – Faith, Hope, and Love- and the greatest of these, is LOVE." -1Cor 13:13

“ Hey grandma it me Leyla again, and I can't describe words of how much I miss u. I love you so much always calling everyday, or FaceTiming me. I miss when I am going through a hard time you would sing to me or give me advice, or when you would come down every summer or once though out the year. It's been 4 years and I just can't believe it's feels like it was yesterday when I got the call that you were gone I think about you everyday and I love you can't wait to see you again -Leyla

“ Auntie Diane you are now laid to rest in peace with God and his angels. I had time to reflect how wonderful you have always been to me. You took me in to live with you when JJ was a baby even when you were struggling to make it yourself. Whatever food and home you had, you shared with us. I will forever be grateful.

Our family wasn't perfect but we had perfect moments. I went to Alabama to help your beautiful Danielle lay you to rest but instead I was given the chance to reflect on my own beautiful memories of our family. Spending time with Danielle and her family going over our childhood was a gift I will treasure. I know you are so proud of Danielle and the girls, you left the best part of you here, Danielle and your Granddaughters. I love you and miss your smiles and our laughs..

Until we see each other again, rest in loving peace "Auntie Diane"

“ *Grandma, you weren't only just my grandma.. you were my twin. I'm beyond blessed to have had some many beautiful and enjoyable memories together. From coming out to Alabama every summer to you coming down for Selina's wedding and play fighting in my room. Even though you passing doesn't feel real to me, knowing you're in the Kingdom of God with all your loved ones gives me peace. I love you more than anything.*
