Dillon R. Hurst was a very special individual to know. He would start his life

out with probably the worst incident a kid could have, but the strength he had to overcome this adversity was nothing short of amazing. Dillon was a person everyone wanted to be around although he was quiet and didn't speak a whole bunch, he had tons to say just by his actions. He gave a bunch of his time to the military and served in the Marine Corp and National Guard, after finishing up with the military he would meet his soulmate Amber Jenkins and they would spend the rest of their time together in Florida.

He had several things in life that he truly enjoyed, anything outside hiking, fishing, and kayaking. He enjoyed family gatherings during the holidays, and was very competitive whether it was board games or football.

Anyone who knew Dillon didn't have a choice but to know his best friend Buddy, the golden retriever with a luxury lifestyle.

Please hold on to your memories with Dillon tightly and remember him like he did with the loved ones he lost for one day we will rejoice with him.

The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures,

He leads me beside quiet waters, he refreshes my soul.

He guides me along the right paths

for his name's sake. Even though I walk

through the darkest valley, I will fear no evil,

for you are with me; your rod and your staff,

they comfort me You prepare a table before me

in the presence of my enemies. You anoint my head with oil;

my cup overflows. Surely your goodness and love will follow me

all the days of my life,

and I will dwell in the house of the Lord forever. Psalm 23

Officiating the ceremony will be Brian Frost.

“ My heart is broken. Dillon was one of my heroes. I first knew him as a brave young boy who tragically lost his mother and then his father. Then I knew him as the boy who became a son to his Uncle Mack and Aunt Theresa and a brother to Amanda and Jerri. He was a patriot who served his country. He was steadfast in his devotion to his family through illness and death. I hold dear the memory of his dimpled smile.

“ Saddens me to hear of SGT Hurst passing. I served along side of him in the Alabama Army National Guard for several years. He was a good Soldier and a great human. May his family and friends find peace in their memories of Dillon. He will be missed. May he rest in peace.
