“ Who will keep me informed on community happenings? I loved Ms Dollie! I will miss all of our conversations! She always had a smile on her face even when she was in pain! Now she has got a bigger smile on her face and She is NO longer in pain! She is not in a wheelchair anymore! She is walking, probably running up & down those streets of gold! She can see clearly now! No glasses! Best of all, she is in the presence of our Heavenly Father!and Lelus! To Ms. Dollie's family, I am so very sorry for your lost! I will keep y'all in our prayers.

“ I am so sorry for your loss. I have fond memories of Aunt Dollie. Growing up, I spent almost as much time at the Hall house as I did at home. Very special, both of them will be missed.
