“ It was a snowy few days, but Donald Herring was riding his trick motorcycle and could not get up the long steep hill behind his house going down LaTaste and at the end of LaTaste turn left and he was trying to get up the Hill and was having some difficulty So my husband Jeff and the other men got behind him and made sure he made it to the top and he did. We went to Antioch to church for awhile with Don, his wife, Betty and Bill Smith. This was a fun time in life and I am sure he is having one now, with Jesus and a lot of his family. To be absent from the body is to be present with the Lord.
