“ I met Donna when I was about 7 years old. They lived in Florida at that time. My Mother (Hester Sims), Billie Jo Strickland and all 3 of us kids when to visit. We had a wonderful time. Donna was so sweet. Ricky and Rita were babies. Such sweet memories!

“ Growing up I spent alot of time hanging out with Jim, and Donna welcomed me in to her home and made me feel like family. My thoughts and prayers go out to the family. I love you all dearly. You will be missed.

“ *She was my mother in law for 8 years, but she always treated me like her baby. She thought me some amazing recipes, showed me how to care for my baby, fiercely protected me like a mama bear, and made me laugh like nobody else could. She loved her kids, and her grands. Had a fantastic outlook on life, and always loved. She was my "mama" 8 years, but she was my friend. I love you Donna. Thank you for showing me that love.*

“ *I am so happy that I was able to spend some quality time with my beautiful sister over the last couple of weeks. I will miss her but she is in a much better place surrounded by all of our brothers and sisters. I can only imagine the party they are having.. I love you Donna.*

I have thought often when we lived in Daytona with my parents and yours running up and down the beach as kids. Even though life took us in different paths I've never forgot you. You will be missed.
