“*Ms. Doris you were an earth angel to so many babies, children, young adults and grown adults. I was honored to be one of the people who got to meet and love you. I know you loved me. You always smiled and fought so hard when your health would get you down. You will be missed by so many people. Our heart is broken even though I know you are well and can do everything you want to in heaven. Always and forever love you.*

“ *Miss Doris. The kindest soul I was ever blessed enough to know. She saw the best in everyone and gave all of herself to those she loved. My family and I are better for having had Doris in our lives.*

Doris was the finest woman I have had the pleasure to know. She loved me and I loved her. She never let anything keep her down. She fought so hard whenever her health got her down. She was a beautiful woman God gave us to know. She always smiled. You will be so missed. You are God's special in Heaven now. You were an earth angel yo so many babies, children, young people and grown ups. God bless your family. Always and forever.

Love you.
