“ Just wanted to say what a special and sweet woman my mama Dot was. Knew her and her family most of my life. When I was 19 and started my first job I got to work with her in the Children's dept at JC Penny. I was so scared and didn't know a thing and she took me under her wing and made everything just right and fun. Fell in love with her even more. Only got to see her off and on through the years but every time we hugged like it was just yesterday and always said we loved each other. Donna was a very sweet woman and I am so sorry they are gone. I know They are rejoicing and having a ball in Heaven. I love you Pam and girls and I know the sorrow you are going through. Hold on to the Memories!!! Love you.....Sherry Hughes Drummond
