“ *I knew Doug for many years. He always accepted me for who I was even during some very rough times in my life. He always had a smile for me and knew how to get a smile back from me. I haven't seen him in some time, but he was a great man! He is missed!*

“ *I met Doug many years ago. He was cutting grass. He yelled at me swinging his hat in the air. That was the beginning of a long friendship. At a very low point in my life Doug was a huge friend. He could make me smile when there didn't seem to be a reason. We spent a lot of hours laughing and talking. Doug was a good pool player, he loved to pitch horse shoes and most of all he like winning. He loved to be with his friends an he had lots of them. He talked a lot about his son Jeremy. He loved that boy. When his grandson was born of course he called me to brag. Doug was one of the most carrying people I know. My heart goes out to his family and friends. You have not lost Doug he is gone fishing. He is just waiting. He will be trully missed.RIP*
