“ First up. Doug was a wonderful childhood friend that developed into a lifelong friendship. I loved Doug as my friend. We attended Norwood Elementary School together and played football together for Norwood. He was the guy I looked after on the field. He had the heart of a giant. I had the pleasure to reunion with Doug in August 2022, and loved seeing Doug again after many years. I pray for comfort for his family. We all are gonna miss Peanut. My buddy.💙

“ Doug was a great friend and neighbor over the years. I often came home to find my yard mowed, weedeating done, fence lines sprayed. He would always reach out and ask if I needed anything from the farmer's co-op on his way home. If we happened to be cutting grass at the same time. You could expect a 15-30 minute pause as we stopped to have a conversation at the fence line. We always looked out for each other. Doug, Thank you so much for your friendship over the years. You are and will always be missed my friend. RIP kind Sir.

Doug and I grew up together in Anniston, we played ball together and against each other. Doug was a great athlete at Anniston High School back in the mid 70's. He was tough on the baseball and football field. I have so many great memories of him, he was always a great friend who was liked by everyone. My thoughts and prayers go out to Vickie and the entire family for your loss, Doug Ford was a great man, he will be missed by everyone.
