“ Sheila,

When my sister told me about Doyle, I was shocked. Even though I did not get the chance to know Doyle very well, from our short time spent together, he made me feel like family. You might not remember, but the two of you were gracious enough to invite my family to your house many years ago so my daughter, Erin could see your animals. We fished, ate, and had a great time. Erin remembered this time spent with your family, and talked about Doyle for a long time afterward. I just want to let you know that you and your family are in my prayers, and may God bless you and comfort you each and every day. Please let me know if I can do anything to make things easier for you.

Love,
