Eddie Houston was a loving husband, father, and a devout man of faith. He was a deacon in the Baptist church, led a Sunday school class, and a servant in the community. Eddie was a leader in his profession, a 3rd generation

foundry man, known for being a trailblazer for new techniques in the industry. He had a kind soul, gentle hand, patient spirit, and a humble heart. He always had a smile on his face and a joke to go along with it. Everyone was touched by his presence and he never met a stranger. Some of his favorite things were woodworking, construction, bike riding, fishing, and as most know, causing trouble. But nothing was more important to him than family, especially his grandchildren.

“With Your counsel You will guide me, and afterward receive me in glory.”

Psalm 73:24

In lieu of flowers the family ask that donations be made to Samaritan's Purse, in Eddie's honor.
