“ Elaine was a beautiful person who touched many lives. Her loss is one that cuts deep, so I would like to just leave a word from God, that will hopefully offer you comfort and remind you of the hope that we have of seeing Elaine again. It can be found at Revelations 21:3,4 which reads: 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” So God gives us a hope in his holy word the Bible, that we will have the chance of seeing Elaine again. Please accept this word of encouragement and my condolences.
