She was a passionate Elvis fan and loved coloring as a hobby with her grand and great grandchildren.

In her prime years, she was a CNA and ran several local bars and could play a mean game of pool. Her remaining golden years were spent being a

devoted Nana and she cherished and loved all of her babies.
She will forever be missed.

“ Mom, I've spent 57 years with you and in the short time you have been gone already feels like a lifetime. Every time I go into the store I think does mom need anything. .. I have to stop myself in thought and let it sink in for a moment nope... she has everything she needs now. Glory, no pain because of her little body failing to keep up with her whitted mind. Holding down here for now. Love and miss you dearly, Your Daughter Sheila
