“ *Very Appropriate as My sister would love being buried on The Lord's Day. She was a happy person even when she had no money, no groceries, and hunger which she endured many times, until I could send her money by Western Union. Her relatives living in town seem to not have money to share with Emma. Today, Emma is eating manna with the Lord and will never have to beg for free food at Burger King again. +❤️+❤️+❤️+🌹 I miss her so much already , God has already paid in full those who hurt her and ignored her pleads for money for food.*
