“ I didn't realize that Jean had passed away. I remember as a kid when we used to go over to their house and visit. My dad also worked with Tom at Southern Natural Gas William Henry Cooper. My brother and I played with Phillip and Karen while our parents visited played cards etc. Really a sweet lady. So sorry for your loss.

“ Jean and my mother (Henri Lynn Cotton) were close friends and enjoyed traveling together. She was always so sweet and kind to our family. I’m sure she is now rejoicing being reunited with her “Tom” as she talked about him so lovingly every time we chatted. I will truly miss her. Love and prayers to the family.

“ I will always remember Ms. Jean. She lived across the street from my Grandmother, Maurine Hughes Harmon. They were cousins as well as good friends. They visited back and forth several times a week, shared coffee and pie and various leftovers from different meals they enjoyed cooking and trying different recipes out on each other. They shared rides to church and to the civic center. My Grandmother passed away in summer of 2016 and now Ms. Jean. Guess they can continue their special friendship in Heaven. God Bless her.
