“ Though I grieve the lost of Brother Finley, I had the great honor and privilege of getting to know him and Ann. They were and continue to be a great influence on my spiritual walk. I treasure the conversations with both of them. They helped me to grow my relationship with and my love for Jesus. Never to be forgotten. I always enjoyed his stories of how he survived 3 lightening strikes. God had a purpose and a plan for Brother Finley and he carried them out all through his life. Thank you Brother. David
