# Tribute Wall

JR

“ A Tribute to My Mother, the most faithful Christian lady I've ever known. She was not only beautiful on the outside but on the inside too. First was her love for the Lord (what a love she had for Him and she showed that Love every day) second was her love for family (that included friends and all her brothers and sisters in Christ and third she was so thankful to be not only a Child of our Lord but she was thankful to be a wife, Mother, sister, and friend to many, many people. She was a faithful witness for the Lord until He answered her last prayer 🙏 Lord I don't why I am still here, I can't do anything for you, Lord, I am SO ready to come home to be with YOU and so many family members who are already in Heaven with you Lord” I pray anyone I know or have witness to accept You Lord that they will accept you before it's too late. Us as her four children (Ricky, Janice and Terry (she has been a Mother to Terry since his Mother went to be with the Lord at age 19), then Chuck and Benny) were thankful and proud to call her mother, other than her testimony of witnessing to the Lord she was our prayer warrior. We had so many employees (nurses & CNA's) and patients coming to her room at Diversicare to share with us their many memories of her giving out gospel tracts witnessing to them (always asking do you know where you are going when you die? Do you know the Lord, if not I would love to tell you.) We don't know how many souls were saved as a result of her witnessing to them. It blessed our hearts when they told us they got saved as a result of the gospel tracts and the faithful life she showed them daily, and the many people people who told us they got back in the Lord's will as a result of her Christian testimony and her witnessing to them and her passing out so many gospel tracts. Also I was honored by the many folks over those approximately 4 years she lived at Diversicare I was asked “Do you mind if I call Ms. McCombs Mother or Momma”. I said no I don't mind I would be very honored. She will be greatly missed she was our “Prayer Warrior” . At the end of every visit I said “I love you Mother, she said I love you too, I said I will see you tomorrow, she said OK, I will see you tomorrow, be careful going home. Monday afternoon November 20, 2023 when I left her room, I said, “Mother I love you, love you love you”, she said “I love you too” I said I will see

*you tomorrow— not knowing it would be her last goodbye to me on this earth. Again Mother I LOVE YOU, Janice*
