“ Please accept my sincere condolences on the loss of Floyd. There is no doubt that this is a tough time for you, so please allow me to offer you a scripture in hopes of offering you comfort at this time. It can be found at Revelations 21:3,4 which states 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” So this scripture offers a hope for you to see Floyd in the future, when death and mourning will no longer be a future for us. God will do away with these things. I hope this scripture offers you comfort and something to look forward to.
