Even though we lived miles apart we were the best of friends.He
was always caring and knew how to cheer me up.He was a God
loving happy man with a cheerful soul he accredited to God. He was

“ For him to have such a joyful soul, why didn't he list his son and
daughter. Allen and Enger?

Allen Holmes - September 08, 2025 at 12:36 PM

He listed the ones that have been there for him. Helping him. The ones
that have actually been in his lives.

Where have y'all been the last 20years? Not here taking care of him. Y'all made your choice to outcast him long ago. If he meant anything to y'all, you would've made an effort sooner. Stop looking for attention now that he's gone. Go back to pretending we don't exist like y'all have done your entire lives. Never once before did you or enger ever want anything to do with him or us. Don't do it now.

We had a relationship you will never understand. We used to go play golf, we have came to plenty of Christmas get together, y'all wasn't at. Y'all have always been a financial drain on him from day one. You are and always will be white trash, just like your parents.

See? You start talking bad about the dead and about anyone who doesn't give you your way. You're such a child. You've always whined anytime you don't get your way. I see your ignorance and choose to overlook it. I'm not going to entertain your childish argument. Fact remains, you're NOT going into the obituary, you're NOT welcome at the funeral and you're NEVER going to be our family. Y'all ain't even blood. You're adopted. You chose to outcast us, so we outcast y'all.

I don't think any of you GRANDKIDS understand the legal ramifications of what you are attempting. All it would have taken was simply mentioning a name a playing nice even if any of you arent capable. ABSOLUTELY none of you understand the amount of financial support that was done to try to help support you all simply because your own father couldn't learn to stop reproducing. We remained silent and didn't say a word. So good luck to all of but I would be concerned and do a little research if you are even able to understand that concept . Sometimes silence is golden so enjoy it and we shall see 😏
