“ I knew Gary from Folsom School. We played Softball together he played 3rd base and shared catching duties with Eldrige Key. We had one of the best softball teams consisting of Gary, Eldrige, Gerald and Sherril Higgins, Ronnie Cofield, Alton & Paul Triplet, Gary Higgins, Doyle Phillips, myself Gerald Turley and a few others I might have forgot to mention. We all played as a unit knowing what the others would do best time in my life as a young boy.
