“ Me George was a friend and like a grandfather to me. He expressed to me how he loved home cooking so I would bring him hot meals to work. He loved homemade chicken n dumplings, homemade vegetable soup and fried salmon, potatoes and homemade biscuits. He was one of the nicest people I've met in a long time. He is truly missed and I will always have him in my heart. I'm just glad I gave him his flowers yet while he lived. Loving and missing you.
