“ *Gerry was a lovely, dear, precious lady. It was a joy to know her. She is singing with the angels now, no more sorrow, no more pain. "Precious in the sight of the Lord is the death of His Saints." I will miss her! To all of her loved ones, please know I am praying for each of you as you face the days ahead without your precious loved one. May you feel God's presence in a special way today. Please know I care.*
