“ I'm Gingers cousin from California. I always called her Aunt. Her mother and my Grandmother Imogene were sister alone with 8 others siblings that left before her. My Aunt used to pick us up when I was younger in her and her sister Pollys station wagon. All my cousins would pack in the cars and go to church or cruise around Hunigyon park. We would go get icecream and sit at the part. She was a beautiful person and I'm very glad we found each other 7 years ago. I'm going to miss our calls Cousin Aka Aunt Love you give My Parents and all my love ones a hug.

“ Bob (Richie) so loves his entire Family and good stories of his Sisters are often told. We can here the speaking and singing voices and giggles of Ginger and Polly in our mind as Bob thinks of the many child/teen memories and the memories in the early years of our marriage. We surely enjoyed all the visits we made to San Diego when the Stone children were young . We are sure of the reunion in Heaven as Ginger goes to be with her Husband, Son, Mother and Hugh , and her Father, Sister, Brother and other Family waiting to enjoy her fun and loving spirit after such a long while. I sure married into a great family! Love from your Brother Bob and Sister Debbie Sorrells
