Mrs. Freeman was a dedicated Christian and a member of Abel Baptist Church. Her days began with an egg, coffee, and reading her Bible. She picked up many children from the community and brought them to church and church activities. A loving mother and grandmother, for many years she made all of the clothes for her children and grandchildren, sometimes creating her

own patterns. She also showed her love to her family and community by the many meals and decorated cakes she prepared. Mrs. Freeman took pride in her home, farm, vegetable garden, and beautiful flowers and was often seen working in her flower gardens or on her John Deere tractor bushhogging and baling hay. Each summer she preserved and filled two freezers with a variety of vegetables from her garden.

In the later years as her health declined and her life changed, her greatest joy was seeing and visiting with her grandchildren and great grandchildren. The family would like to say a special thanks to Tammy Martin, her caregiver and friend.
