“ Stacy, I loved your mother so much. I still have the little angel she made for me. I love you and feel your loss. I lost my mom at age 22, and yes you lost a great friend. But know this she is rejoicing with her savior and we will soon be with her.

“ Mrs. Coppock was truly the sweetest woman. She would always open her door for me and my little boy. We would sit and talk for hours. I missed being able to come and sit with her since going back to work. Her collections always brought a smile to my face and we never left empty handed. Blessed to be their neighbors! Praying for your family. Always across the street if you need us!

“ Aunt Glenda was a very graceful and classy woman. She will be missed dearly. I always loved it when my mom would say we going to her house when I was a child. She always would ride me on her horse and let me give the horses carrots and sugar cubes. She was a wonderful aunt and sister. I have always admired her so much. I love you. I'm praying for your family. Your neice Barbie
