“ *Ms. Red was introduced to me by my son and sister at Talladega several years ago. It was always a great time visiting with one another through the years. I will miss our monthly phone calls but I know she’s rejoicing with her loved ones. Prayers for the family.*

“ *It is extremely difficult to express what Glenda meant to all of us (her Talladega boys). She was always there for us, ready to help in any way she could and more. Glenda was a member of our family and loved by all of us. We are sure she is in a good place now which she richly deserves. God bless Glenda and all of her family.*
