“ I remember Faye as a young vibrant good woman. I admired her for her quiet, humbled spirit. She was always so sweet and full of grace. The last time I saw her was around 5 years ago and we all went to Panama City beach. We had a wonderful weekend and she shared her food with these 2 boys that were locked out of their room and was hungry. That was Faye. Always giving and loving to others.i will miss you sweet lady. Heaven became a little sweeter when you entered in.
