“ My wife Barbara and I became fb friends with Greg many years ago on Farmville and continued exchanging posts on fb almost daily since then. We both liked Greg's sense of humor and gun talk. He will be missed. Prayers for his family and friends.

“ I'm going to miss Twinky. He was like a brother to me since the day we met. We were known as double trouble during our days of working at Morgan back 16 years ago...

“ Greg and I graduated high school together but I never knew him then. We met on Facebook about 10 years ago when we would farm “Frontierville and FarmVille) 😭 we added each other and we added mutual friends so that we could get farm help. We would often exchange recipes and funny stories and happenings in our hometown (he lived in GA at this time). He would always message and ask about how my kids were doing and he was proud of them. I hope that he will get to farm and have his favorite foods in heaven. He will be missed a lot by his farming friends.

“ *His smile, his laugh. First time a met him he made you feel like you belonged to his family. He cooked us the best meal. If a man can make potato salad as good as my moms. He's my friend for life. Gonna miss this one for sure. He loved Jennifer that you just knew; by the way he looked at her. Rest now Greg.*
