“ We are lucky Gwen & Carter shared many of their summers with us in Cody. There are a million other places they could have been but they chose to spend them with the rest of us crazy people at the cabins. Gwen was a strong woman who was never afraid to speak her mind. She had an amazing work ethic and always looked pretty and composed while the rest of us were a frazzled mess. Gwen will be missed. Thanks to all her family and friends for sharing her with us. ~ Ron & Michele and the rest of the crew at the cabins in Cody.

“ Gwen and I connected at the gym. It was an instant friendship we formed and we had plans to do fun things when she returned from her summer trip. I am indeed sad that our friendship cannot go on. I will forever remember her and the pleasant personality she had. She spoke of her family often and I know how much she loved her children. I am so sad that she is no longer with us, and I know your sadness is beyond anything you have ever known. Please accept my condolences and know that I grieve with you. Gwen's friend, Pat Williams
