“ when i was a kid (8yo) she had a mimosa tree in the front yard. i climbed it and broke a branch, needless to say i was banned once again from the property, the next day i was there once again knocking on the door, the door swung open and there i was asking if Steve could come out and play, the look on her face. (Priceless). we had the kind of relationship like Eddie Haskell and Mrs. cleaver (leave it to beaver) a tv program. so many memories.
