“ Met Henry over in the gulf during Desert Storm. A year or so later, he and I attended a class in Pittsburgh. We bought some scalped tickets to a Pirates game one night, and snuck up to the corporate rooms where people watched. We found what was apparently a tv camera place that wasn't being used. The door was unlocked and we watched the game from there! We had a lot of fun! I'm sorry to hear he's gone. He went way too early. See you in Valhalla brother...

“ Henry was in the 10 man group of CID agents that volunteered to augment the 10th MP Det to deploy to Desert Shield/Storm. We became good friends during that time and he had a great sense of humor and we shared many laughs together. He was pulled away from our contingency to Riyadh but I remember him calling us frequently when our Det deployed to Log base Charlie up near the front. He actually surprised us by having a helicopter land near our position and drop off a personal care package he put together. Just the type of guy he was. A short period of time of great memories. So sad he never had much time to enjoy his retirement. God bless you my friend. You will be missed. Keep them laughing up there.

“ Growing up I knew Henry from grade school. He was great at getting me in trouble. It was the best fun I've had as a child. I will miss him dearly he was no less than a brother to me.

“ Henry was a energetic, enthusiastic co-worker, who became became a good friend. Our prayers and sympathies to Leah his wife - he was taken from us too early. God bless.

“ *1st friend and family I met when me and my family moved to Newburgh, N.Y. - Had a fun and adventurous time growing up until we left the nest to Serve Our Country - Henry was a true leader since childhood as an Eagle Scout and loved to serve as an Army Veteran and Police Officer until his retirement and now his service to the Lord - God Bless until we meet again in Heaven 🙏*
