Toby and Dianne Miller established Miller Funeral Home and Crematory in April of 1970 operating under the name of Miller-Robinson Funeral Home. The Robinson name belonged to James H. Robinson, a licensed embalmer who agreed to partner with Toby Miller until the time he completed Embalming School and earned his embalmers license. Toby Miller enrolled into the funeral service program and Jefferson State Junior College in 1970 and commuted four nights a week for two years earning his degree. Initially, the business operated with Toby Miller being the only full time person and a couple of part time people.

After receiving his degree in Mortuary Science the business was relocated in 1972 to its present site at 50 Hamric Dr East. In the same year, Congressman Bill Nichols selected him to be Oxford's Outstanding Young Man of the Year. He purchased Mr. Robinson's part of the business and officially changed the name to Miller Funeral Home.

In 1974, Toby Miller was appointed to The Northeast Alabama Regional Medical Center's Board of Directors to represent the City of Oxford serving six five-year terms. During those 30 years of service, he served on many committees and was chairman on several committees. When he retired in 2005, he was serving as Vice Chairman of the Board. In 2009, he once again was asked by RMC to serve on another of its boards. He has the distinguished honor of serving more time than any other appointee. RMC is Calhoun County's second largest employer. Toby Miller was a charter member of the Oxford Quarterback Club, the Rotary Club, and organized the Oxford Rescue Squad which operated out of the funeral home for a few years.

In 2000, Toby Miller joined eight other businessmen in the organization of Cheaha Bank. Cheaha Bank has grown to serve in four locations in Calhoun County.

In 1979, Toby made the best decision he could by turning his life over to his Lord and Savior. He was currently a member of Lakeview Baptist Church. Several years ago, Toby was facing death and had a Heavenly experience where he saw his Savior. He used this story to reach out and minister to

others.

While Toby was in high school, he played football and basketball. He was one of the best to play basketball at Oxford High School. He was an All County. For many years, Toby coached little league football and basketball. During his coaching years he was able to leave an impact on several children's lives. Toby loved old cars and attending car shows all over the South. He was a member of Bama Street Rods.

Mr. Miller was a mentor to many people and a man who truly loved God and his family.

He will live in our hearts forever.

“ My deepest sympathy to Dianne and Toby's family. I will always have precious memories of Toby because of his solid friend relationship over the years and also as a Oxford school classmate graduating in 1961 together. He was a remarkable sports figure at Oxford High School. He was a highly respectable business man and no doubt made many contributions to the Oxford community. I'll never forget his kindness, compassion and concern for others during the final resting place arrangements for my Mother and Father. Through his vision, it was wonderful that he involved his family in the funeral service business. My special communications with Toby never ended after high school and even after his business retirement. I saw him occasionally at class reunions, dinners and special events and he consistently brought that smiling face. He absolutely loved this country, beautiful vehicles and his high school. At a dinner In December 2019, he told me that he toured the Oxford football games for 2019 and really was excited that Oxford won the state championship. He even wore his OHS hat that night and I have a picture of proof. During sixty plus years, it was a joy for me and my honor to have spent informational and conversion time with him. He was a " one of a kind" person and I will always remember the respect that he gave me and his surrounding friends. May "God" and Jesus bless him as we enter the heavenly kingdom.

“ My heart is heavy yet rejoicing. Toby was a wonderful friend to my family. My father Rev. Major Johnston thought he was the best there was. I accompanied him in hundreds of funerals. I remember Toby was standing beside me at one of those times and smiled and said “I have heard of people with a lot of different habits but you’re the first young lady I’ve ever known that made funerals one.” We laughed about that every time we saw each other, always at a funeral.

God gave us a special man in Toby a friend to all and he raised his son to be just like him. He was a precious Blessing. Praying for peace and comfort for all the family.

“ Dianne and Family, on behalf of my wife, Elaine and myself, we want to express our condolences to you in the death of one we loved so much. Both of us graduated with Toby in the OHS Class of 1961. We moved out of state following college, but would come back on visits...unfortunately, many of those times were for funerals -- during those visits we would have time to visit with Toby. We only were able to attend a couple '61 Class Reunions, but when we did it was always good to talk with Toby. As the one calling all the OHS '61 Classmates on their birthdays for the last few years, it was always a neat

call on October 5 when I talked with Toby. He, indeed, will be missed until that day when all of God's Family gather for that special meeting with our Savior. We will continue praying for you all.

“ I’m so sorry to hear of Toby’s passing. He has always been special to the Sparks’ Family of Oxford. He and my Dad, Wayne Sparks were great friends when they were young and my DD and Grandfather owed Sparks’ Grocery in Oxford. I remember my parents, Wayne and Jerry and Toby and Dianne sitting together at the Oxford football games when my brother and I were very young. My Dad and Toby were in the Jaycee’s together and Lions club and attended other youth sports events together. They both loved Oxford and the community and wanted to be involved and help our town grow. After my Dad became very sick in 1995 and we moved my parents back to Oxford from Meridian, Toby and Dianne were there for our family and saw us thru and when my Dad passed away Toby came thru and was there for my Mom and my brother and me. Treated us so good. After Cheaha Bank came into being my Mother went to work for them and reviewed loans for them for years and I. 2016 a month before she passed away the Bank gave her a beautiful retirement party as their first retiree and again her friends Toby and Dianne were there with all their support for our family. Then when our Mother passed in that next month the Funeral Home once again treated us so well as a Family and long- time Friends. I’m so appreciative of the longtime Friendship our Families have had. I hope you know Dianne and Dudley and Patrick and Shelly and Alesia that I love you all and I’m praying for all of you. May God be with each of you during this time for you. I know you have so many special seeet memories and you’re very blessed. You’re family means so much to so many. Thanks for giving so much to Oxford!!
